OFFICE MEMORANDUM

Date: March 21, 2006

To: File

From: Kiran Verma

Subject: Fiscal Impact of amendments to Rules concerning regulation of wastes containing PCBs at 329 IAC 4.1

Under IC 4-22-2-28, IDEM has estimated that the economic impact of the proposed amendments will be less than five hundred thousand dollars (\$500,000) on regulated entities. There are no new substantive requirements being proposed at this time, so new costs are expected as a result. Some limited cost savings may result from streamlining and improvement of this rule. The economic impact analysis for this rule will not be submitted to the Legislative Services Agency.
